NOTES FOR THIS CLASS

STEP BY STEP

1. Cut the foam lunch box until you have a plain surface without edges.

2. Use a pencil to draw your design in the foam lunch box.

3. Load black paint on half of your Jane Davenport x Gelli Arts® plate.
4. Stamp your foam plate design on the painted side of the gel plate, then stamp it on the blank side of the plate.
5. Pull your print with white paper. Make 2 or 3 prints to find your favorite prints.
6. Cut your favorite prints to the size of a bookmark.
7. Draw three circles on top of each skull with different colors.
8. Add a pearl shape in each flower with Perfect Pearls.
9. Cut cardstock in a contrasting color that is a little bit bigger than your bookmark.
10. Make a hole in the top part of the bookmark with the crop-a-dile.
11. Add some sentiments to your work with Tim holtz stickers (Occasions) and Studio Light washi tape. I add some sari ribbon to make the words pop.
12. Stitch around the bookmark with stitching machine.
13. Now you need to decide if you want to add black tulle or not! If you add it, you need to stitch around the bookmark again.
14. Next, make another hole on the top of the bookmark and add an eyelet. Then knot a sari ribbon on top.
15. Glue a Halloween wood embellishment on top of it with glue gu
